## Purpose

---

I am a third year B.Sc.(Hons.) Computer Science student at the Ramakrishna Mission Residential College(Autonomous), Narendrapur. I am an intellectual explorer in my discipline. I'm greatly interested in Reinforcement Learning. I am seeking an AI internship to put my knowledge to practical use on cutting-edge projects and gain valuable professional experience in the field.

## Education

---

<b>B.Sc.</b>	<b>Ramakrishna Mission Residential College (Autonomous), Narendrapur</b>	Jul '23 – Present
	<b>Major:</b> Computer Science	
	• Achieved the highest grades in Computer Science Major for the first two semesters.	
<b>XII</b>	<b>Central Modern School, Baranagar</b>	2021 – 2023
	• School Topper in the ISC examinations securing 95.5%	
<b>X</b>	<b>Central Modern School, Baranagar</b>	2009 – 2021
	• Secured 98% overall	

## Honors and Awards

---

- Felicitated by RKMRC for securing highest marks in Computer Science Major in Sem II (SGPA: 9.35) ([Certificate of Merit ↗](#))
- Felicitated by RKMRC for securing the top position in Sem I (SGPA: 9.0) ([Certificate of Merit ↗](#))
- Recognized and honored by Central Modern School as the ISC School Topper ([Certificate of Honour ↗](#))
- Felicitated by Baranagar Municipality for brilliant academic performance in ISC 2023 ([Certificate of Honour ↗](#))

## Projects

---

<b>Collager: Converting images and videos to dataset collages</b> ↗	June 2025
Research Internship project at RKMVERI, Belur	
<b>Jisnoo's Personal Website</b> ↗	2023 - Present

Built using HTML, CSS and Java Script

## Specializations

---

<b>Machine Learning Specialization</b> ↗, DeepLearning.AI, Stanford University, Coursera	May 2025
<b>Python For Everybody Specialization</b> ↗, University Of Michigan, Coursera	Jul 2023

## Hobbies

---

Running, Workout, Football, Books, Movies and Strolls
